BENEFITS OF ELECTRIC FIRES:

- **No Fumes** - compared to other fuel types like wood or oil
- **No Maintenance** - no ashes to deal with, as in solid fuel stoves
- **Low Cost** - lower cost to buy and lower installation costs than other stove types
- **Energy Efficient** - electric fires are more efficient, will eliminate drafts & lower energy bills
- **Easy Installation** - just plug it in! Perfect for small homes or apartments
- **They Are Safe** - electric fireplaces stay cool to touch
